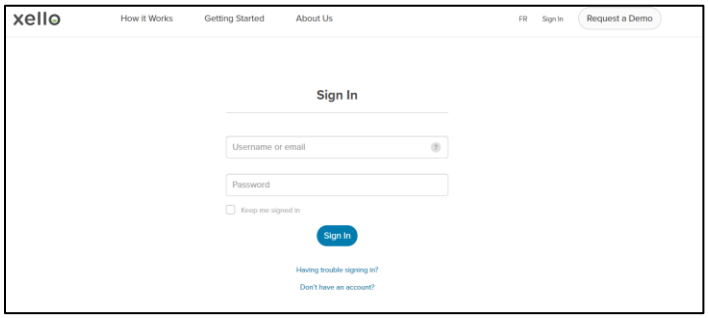
Filling out your Vincent Massey Grade 10 Course Requests

STEP ONE:

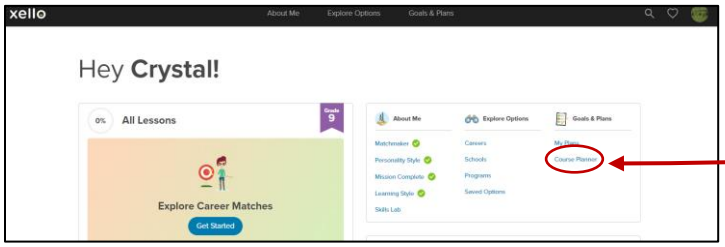


Sign into the Xello website: xello.world

Username: BRSD-(yourstudentnumber)
Password: if you have logged into Xello before, use the password you set -- If you have not logged in, it will be your birthdate in the form MMDDYYY

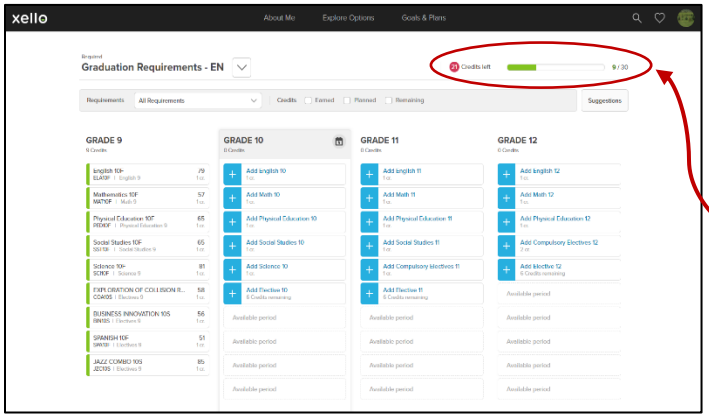
Trouble logging in? Send Mrs. Andresen a Teams message @raniandresen

STEP TWO:



Click on your **Course Planner**

STEP THREE:

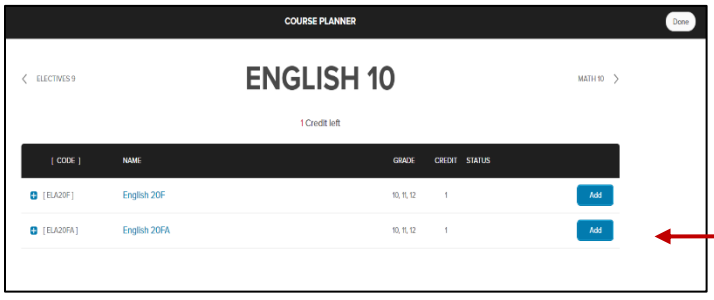


This is your **Course Planner**. We use the course planner to register for your courses for Grade 10.

You can also add courses into your Grade 11 and 12 years to help with your planning.

Check out the **Graduation Tracker** at the top of the page to see how many credits you have left!

STEP FOUR:



Adding Grade 10 English:

Click on

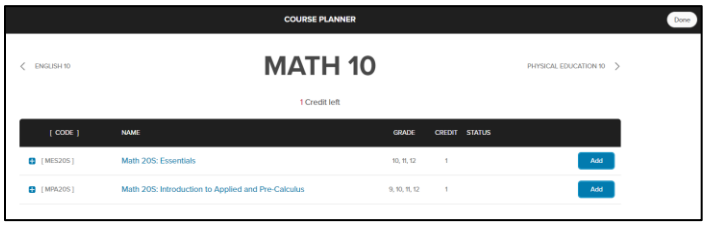
in the **Grade 10** column.

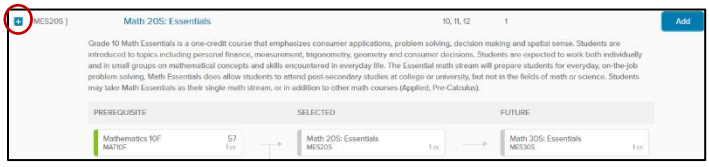
It will bring you to this page

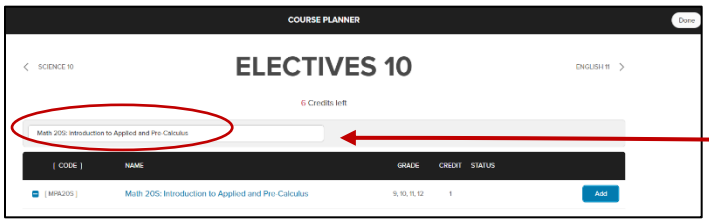
There are two options for Grade 10 English: English 20F and Pre-AP English 20FA. If you want a challenge and LOVE English, select Pre-AP. Otherwise, select English 20F.

For more information on AP English, please refer to this video: Planning for AP English at Massey - YouTube

STEP FIVE:







Adding Grade 10 Math:

Click on in the **Grade 10** column*

There are two options for Grade 10 Math: Math Essentials 20S and Intro to Applied/Pre-Calc 20S.

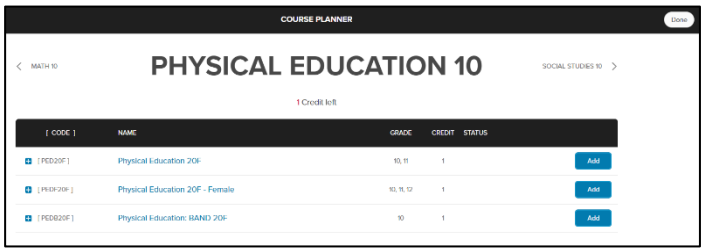
Click on the ⊞ by each course for a full course description and pre-requisite information.

For more information on choosing a Math class, please refer to this video: Selecting a math class (going into grade 10) - YouTube

*If you do not have a button it is because you are already taking a Grade 10 level Math.

In this case, click on  and search for the math you want that way.

STEP SIX:



Adding Grade 10 Phys Ed:

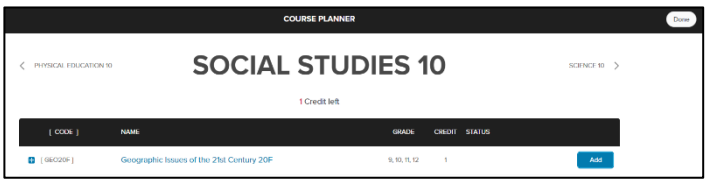
Click on in the **Grade 10** column.

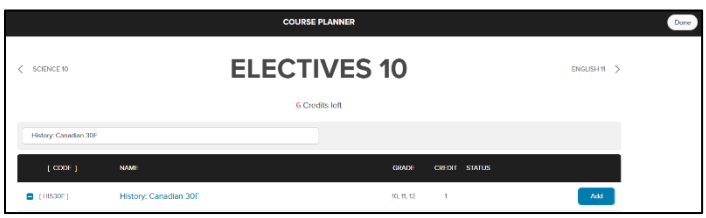
There are 3 options for PE in Grade 10:

1) PE 20F: regular, single semester PE
2) PE 20F Female: all girls PE
3) PE Band 20F: if you are a band student

Click and then click at the top of the page. This will take you back to your **Course Planner**

STEP SEVEN:



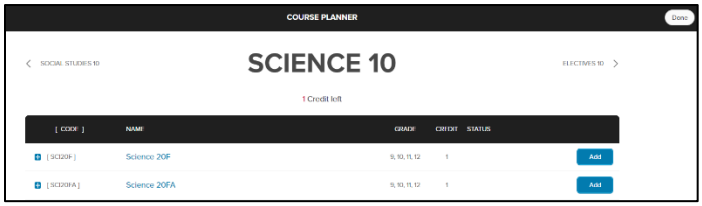


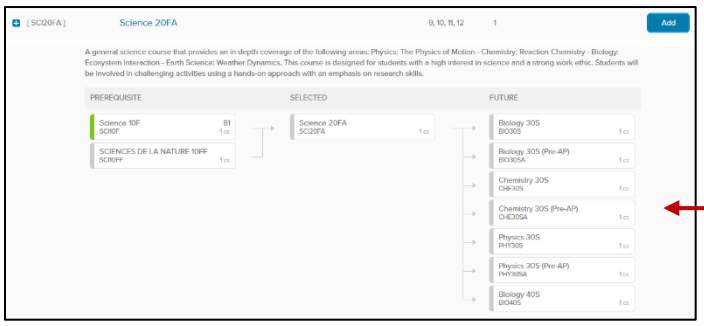
Adding Grade 10 Social Studies:

Click on in the **Grade 10** column.

The compulsory Grade 10 Social Science is Geography 20F.

*If you have already taken Geography 20F in Grade 9, then feel free to take Canadian History 30F. You can find that under 
STEP EIGHT:





Adding Grade 10 Science:

Click on

in the **Grade 10** column.

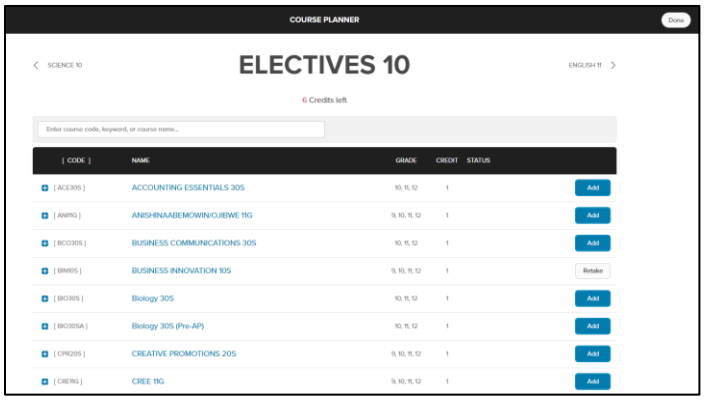
There are two options for Grade 10 Science: Science 20F and Pre-AP Science 20FA. If you LOVE science, then you should consider taking Science 20FA.

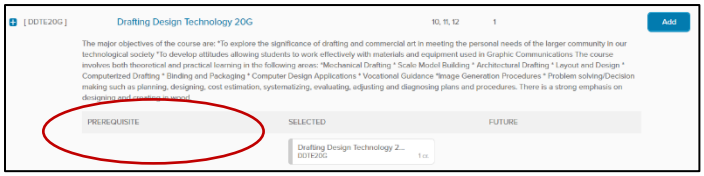
*If you have already taken a 20F Science in Grade 9, then feel free to take one Grade 11 level Science, like Biology 30S.

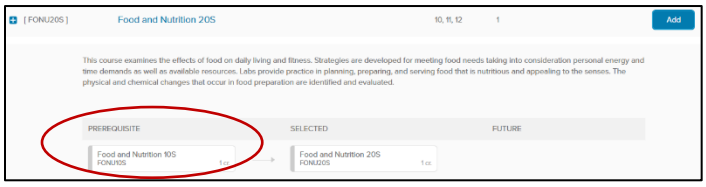
Grade 10 Science is the LAST compulsory Science course in high school. If you are interested in continuing with Science, it splits into Biology, Chemistry and Physics.

For more information on AP Sciences and AP course planning, please refer to this video: [Planning for AP Science at Massey - YouTube]

STEP NINE:







Adding Grade 10 Electives:

Click on 
in the **Grade 10** column.

Grade 10 students need 10 courses in their timetable (including compulsories and electives).

You can search for electives **BY NAME** or by **DEPARTMENT** in the search bar.

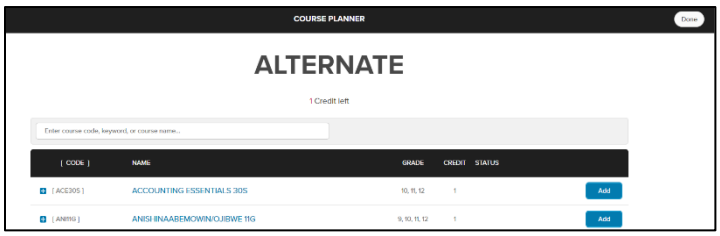
Click on the ⊞ button to see a full course description and any pre-requisite information.

Most Grade 10 electives **DO NOT** have pre-requisites, which means you can take the Grade 10 course, without having taken the Grade 9 course.

Courses that **DO** have pre-requisites are Foods, Band, French. You need to take the Grade 9 course, before you can take the Grade 10.

For more information on selecting electives, please refer to this video: [Choosing electives (going into grade 10) - YouTube]

STEP TEN:



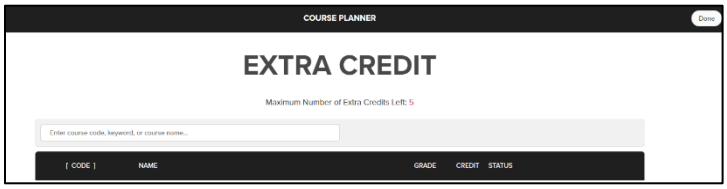
Adding Grade 10 Alternate:

Click on 
in the Grade 10 column.

All Grade 10 students need to select **ONE** alternate course in case they are not able to receive all of their first course selections.

Select ONE alternate, and then click

EXTRA CREDITS:



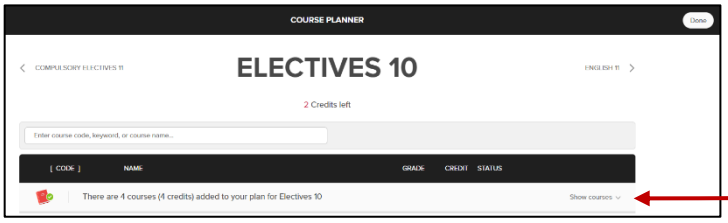
Extra Credits:

The 
button is where students will add any course that falls outside of the regular timetable.

This include Choir, Jazz Band, and Wind Ensemble.

If you are not interested in these subjects, please leave this section blank.

REMOVING A COURSE:



Removing a course:

If you want to remove a course that you have added, click on the course and then click

If you cannot find the course you have added, sometimes they like to hide here

YOU'RE ALL SET!

YOUR COURSE PLANNER WORK WILL BE AUTOMATICALLY SAVED. ONCE REGISTRATION IS OFFICIALLY OPEN, YOU WILL BE ABLE TO SUBMIT YOUR COURSE REQUESTS ON XELLO.
