Next year we can use donation form to approach businesses. Lunch ambassadors will be working the lunch program next year. ## 5. Lunch Program Report – Kristina & Nicole

1. There are currently 156 students staying for lunch. **Ins: 0 Outs: 0**
2. Lunch program contracts have been signed for 2025/26 school year.
3. The 2025/26 Online Registration opened June 9<sup>th</sup> and lunch Program has reached capacity. Any new registrations that come in will be placed on a waitlist.
4. All GALP payments are to be made on or before June 27<sup>th</sup>, 2025. Any registration payments that have not be received by this date forfeit their spot, and we will be contacting families on our waitlist. Waitlist registrations will be contacted by email the following Monday and will have until that Friday to make their payment before we move to the next person on the waitlist.
5. Lunch program BSD meeting discussion.

Discussion: BSD meeting was attended by Kristina, Tia and Nicole. Our lunch program is capping at 105 and the reason we are doing that is because 1 to 15 is appropriate ratio for “childcare”. We already have 105 signed up for lunch program at 1 to 21 ratio so that gets us closer to meeting ratio(health and safety) standards. Nicole, Brandi, Rahel, Kristina and 2 EA’s make one position and Shirley. Can the parent council afford another 2 supervisors? Nicole feels that there is too many times when subs are needed to be found. 150 times per year out of 180 we needed to search for coverage to meet some kind of ratio that is appropriate.

Discussion:

- a. Celya and Shayna will plan the following events:
  - Welcome BBQ
  - Halloween Dance
  - Spring Dance
- b. Lawana will plan the following fundraisers:
  - Peak of the Market- Booked date already for peak of the market- Mrs. W will book the gym for the delivery day. The veggies will be delivered on the 8<sup>th</sup> of October. Cut off is Thursday 25<sup>th</sup> of Sept.
  - Dominos x2 or more- We could plan to do at least one hot lunch through Dominos because they are allowing us to participate in the “Dough Raiser”.
  - Could the year end BBQ be ran by the YR? Mrs. W is going to ask them if they are interested in hosting this event instead of parent council. Parent council voted on this as a group and decided to go the route of cutting this event in 2025-26 school year. Freezie day was a huge hit so why don't we do freezies, and cookies in the winter. The group is agreeable to solicit businesses for donations toward our accessible playground. Cash calendar, 50/50, bingo are being considered for parent council to raise money for the accessible playground. Lawana will investigate the rules and stipulations with lotteries.

## 8. New Business

- a. Proceeds next school year:
  - \$300 for Grade 8 Grad- This is still the plan for next year
  - Field Trips – Teachers will be made to request funds - up to \$[undetermined amount] for the year- parent council will be introducing a funding request form for teachers to request funds. Parent council questioning where some of the field trip funds were spent as there were some free outings in some grades this year. Mrs. W indicated that sometimes money will be pooled by a grade (not class) to attend field trips. Each grade essentially gets \$900.
