RIVERVIEW TREE - DECEMBER

Our kids have been receiving "light bulbs" for the Christmas Trees —by being kind! There will be a few draws before the break, with some fun prizes to be won! It pays to "Sprinkle Kindness Everywhere"!

CLASSROOM UPDATE!

Grade 2/3—Mrs. McDuffe & Mrs. Makkituq

The 2/3MM class has been busy completing activities about snowmen. Their lessons have been inspired by the book "Snowmen at Night" written by Caralyn Buehner.

Students have been reading and writing about snowmen and completing math activities based on snowmen. In science class students learned about snow crystals; how they are formed and the names of different shapes of snowflakes.

Students enjoyed painting wooden snowflakes and making personalized snowmen glyphs.
