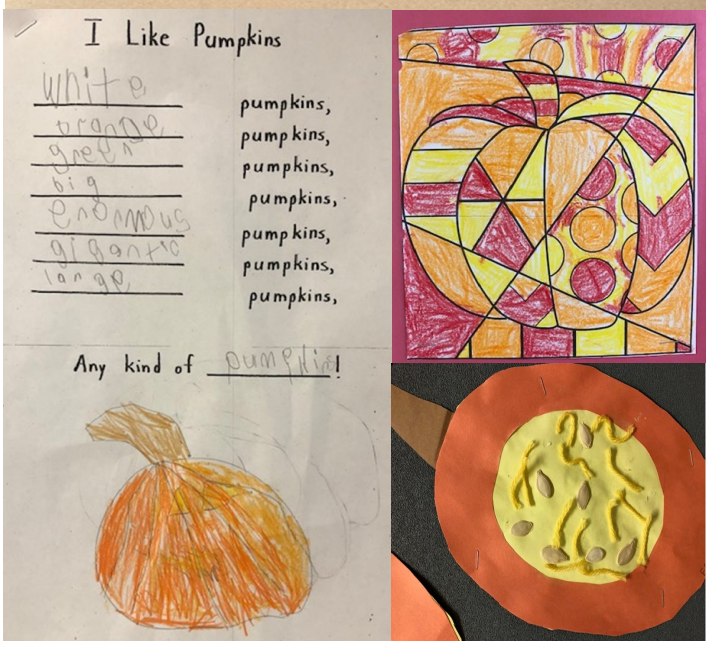
# CLASSROOM UPDATE!

## Grade 1/2—Ms. Flatfoot & Mrs. White

News from Grade 1/2 Mrs. White's and Ms. Flatfoot's class! Grade 1/2 have become pumpkineer experts! They worked hard creating describing words and wrote pumpkin poems. They used their 5 senses to describe the inside and outside of a pumpkin, watched videos to learn how a pumpkin grows and drew diagrams of the life cycle of a pumpkin. They also had the opportunity to investigate pumpkins, record their height and circumference and tested whether pumpkin sinks or float. We hope to grow our pumpkin plants! **Fingers crossed**

In art, Mrs. White's class used warm and cool colours to create line pumpkin art. Students learned that colour can represent feelings and we also created colour monsters.
In Ms. Flatfoot's class we used different types of torn paper to create poppies to remember those who fought for our freedom and peace.
We have all been working hard in Grade 1/2 and are very excited to see what the new few months of learning will bring!

Thank you,
Mrs. White & Ms. Flatfoot



# PARENT COUNCIL

**Parent Council**

Mom's Pantry fundraiser is currently underway. Forms need to be returned to the school no later than Monday, November 22nd. Please help support fundraisers as they benefit the students and school greatly.
PAC has started a Facebook page called "Riverview School - Parent Council". This page is not affiliated with the Brandon School Division. It is for parents to chat safely about anything related to the school and our community that involves our catchment. PAC will post reminders for upcoming events such as but not limited to meetings, fundraising and special lunches.
Parent Council works hard to provide Riverview with the lunch program and to raise funds for activities, supplies, field trips and equipment for all students. Parent Council is in need of new parents joining and taking part. PAC is currently needing fundraising and vice chair positions filled. We all help and work as a team.
Parent Council meets the second Tuesday of each month at 7pm. Meetings are currently held virtually through TEAMS. All you would need to do is provide your email and we can send you the invite. Taking part in PAC meetings is a good way of knowing what's happening in the school. We are always open to new ideas. If you would like more information please email rvparentcouncil@yahoo.ca.

**Lunch Program**

Pizza day was awesome. The kids really enjoyed having special lunch day return. Next will be Booster Juice on Tuesday, November 30th. Forms will be going out and need to be returned no later then Wednesday, November 24th. Please note changes have been made to the prices for special lunches. We kept prices the same as previous years without realizing costs went up. The cost increases will be reflected on the new forms for the Booster Juice lunch day.
Reminder—kids that are not in the lunch program will be taking their orders home at lunch time.
We are currently looking for lunch program supervisors. We are still needing subs. Lunch hour is 11:40 am to 12:40 pm. Honorarium is $20 for the hour. Requirements needed are criminal record check, child abuse check, CPR and double vaccination. Please email rvparentcouncil@yahoo.ca or call the school if interested.
