CLASSROOM UPDATE!

Kindergarten—Ms. Cumming

These first few weeks have been busy in Kindergarten! We have been learning new school routines and practicing using our new school supplies.

What an exciting time for sure!

Students have been working hard to strengthen their fine motor skills by ripping small pieces of paper to complete their fall art. We have made fall trees and owls.
Students have enjoyed watching the changing seasons as we have learned about fall and the different colours.
We have begun our Animated Literacy program in class, and we started off with letter O this week. Students were invited to try an olive for the letter O. Some liked it and some did not like it. It's fun to try new things in Kindergarten!

PARENT COUNCIL

PAC Update:

The Farm to School Fundraiser went pretty well this year. Total raised was $637.50, which is 50% of what was brought in. Thank you to everyone who participated and for the work put into the fundraiser. Our next fundraiser will be Mom's Pantry. Keep an eye out for forms coming home beginning of November.

PAC has started a Facebook page named "Riverview School - Parent Council". This page is not affiliated with the Brandon School Division. It's for parents to chat safely about anything related to the school and our community that involves our catchment.

PAC will post reminders for upcoming events such as, but not limited to meetings, fundraising and special lunches.

Parent Council works hard to provide Riverview with a lunch program and to raise funds for activities, supplies, field trips, and equipment for all students. PAC is in need of new parents joining and taking part. We are currently needing fundraising and vice chair positions filled. We all work as a team.

Parent Council meets the second Tuesday of each month at 7pm. Meetings are currently held virtually through TEAMS. All you would need to do is provide your email and we can send you the invite. Taking part in PAC meetings is a good way of knowing what's happening in the school. We are always open to new ideas. If you would like more information please email rvparentcouncil@yahoo.ca.

Lunch Program Update:

Special lunch day will be on Wednesday, Oct. 27th. Please ensure orders are in by Oct. 20th. Reminder: Kids that go home for lunch will be taking their orders home at lunch time.

We are currently looking for lunch program supervisors as well as subs. The lunch hour is from 11:40 am to 12:40 pm. Honorarium is $20 for the hour. Requirements needed are criminal record check, child abuse check, CPR, and double vaccination. Please email rvparentcouncil@yahoo.ca if interested or call the school.
