Now that the side-walks have dried out bike season is here! Please ensure you lock for your bike or scooter at the bike racks. Best locks are U-locks.

Brandon Police Service also recommends you register your bike with 529 Garage and get a sticker from BPS. It is a free, easy way to register your bike and they access the information when attempting to return recovered bikes.

If your bike is stolen, report to the BPS at 204-729-2345 or visiting Brandon Police Station at 1020 Victoria Ave and set an alert on 529 Garage.

As the weather gets warmer, physical education classes will begin going outside in the coming weeks.

Please help students come prepared for outdoor PE by:

-Wearing closed-toe running shoes for PE classes. Sandals, Crocs, flip-flops, and rain boots are not suitable.

-Bring or wear weather-appropriate items such as sunscreen, a hat, sunglasses, and appropriate outdoor clothing, as conditions can change throughout the day.

Water bottles are required for outdoor PE classes. Students will not be able to go in and out of the school to use the water fountain during class time.
