4. The Parent Council discusses upcoming fundraising.

The parent council discusses holding a movie night at the school. It is decided that we will hold the event on February 13th and that the only charge will be the canteen since it is a community centred event.

Motion	To spend up to \$150 on the movie night			
Move	Second	In Favor	Opposed	Status
Heather Thomas	Kerri Wheaton	14	0	Carried

The Parent council discusses a touch-a-truck date. A date is not decided on but it is decided to avoid the last Saturday in May because of the Brandon Touch-a-truck event.

Kerri informs the Parent council that the Make it Sow fundraiser is ready to start. Last year there were issues with online orders not being sent out and there were very few online orders. This year there will be paper orders only so we can ensure all orders have arrived within a timely manner.

Tricia will not be able to run Moms Pantry this year and unfortunately we are on a tight timeline to run it. Ideally, we would like to have it run during spring break. Kerri volunteers to do all the paper work portion but will need someone to run the organizing part when the product arrives since she will be working.

5. The Parent council discusses upcoming events.

The pancake breakfast and rink day will coincide together on February 20th.

Ms. Brown is looking to get Strawberry and rhubarb plants for the school. Marnie says she has lots of strawberry plants and Ms. Brown is welcome to them.

The parent council discusses the cost of upcoming swimming lessons. The school has applied for the safer waters grant (\$2500) and the youth revolution grant (between \$500 and \$1000). The parent council wonders if we can use the friends of BSD fund for the rest. The dates set for swimming lessons are June 1 to 5th and the fun day is set for June 24th.
