4. The Parent Council discusses the Touch A Truck fundraiser. Heather still has the contacts from last year. It is also agreed that we need to have some form of food at the event and that we need to feed the truck volunteers. We would need to also find volunteers for the admission and 50/50 at the gate and the bouncy castle/ gaga ball pit. We do still have wristbands available and caution tape from last year. The tentative date of June 6 is discussed.

5. The Parent council discusses this years swimming lessons. The school will be sending out permission slips in early May. The profit from the moms pantry is going to be going towards the swimming lessons.
6. The parent council discusses the end of year events. Mrs. Kohut is retiring this year. As we have in the past, the Parent council will purchase a gift. We have previously done \$10year up to 10 years. We are unsure as of right now if Smokey will be retiring. If he does then we will also need to purchase a gift for him.

We are unsure of a date for our end of school BBQ, Richelle will talk to Jody about when would be best. We should also give a monetary donation to the Fire Department for the use of their BBQ. They are in need of purchasing a new one soon and have been very generous with allowing the Parent Council the use of it many times.

7. Principals Report read by Lindsay Filewich.
8. The next meeting is scheduled for April 15, 2026 at 7:00 PM. Safe Schools Meeting to follow.
9. Meeting Adjourned at 7:34 PM.
