## 2025-2026 HANDBOOK

### OUR MISSION

We will provide a safe and inclusive environment to support learning at high levels.

### OUR VISION

To be a centre of educational excellence, built on community partnerships, effective leadership and exemplary practices.

### OUR LEARNING BELIEFS

In a world of difference, learning is common ground.

Learning is a lifelong process, enhanced by a safe environment where risk taking is encouraged.

Learning is an active process, fueled by the learner's needs where that learner is given responsibility and choice.

Learning happens in different ways, at different rates and for different reasons.

A reciprocal relationship exists between learning and self-esteem.

## SCHOOL INFORMATION

### KEEP US INFORMED

New Phone/Change of Address/Changed Parent Work Number/New Daycare Arrangements? To assist us in keeping in contact with you, personal information that changes during the school year should be reported to the school. (204-729-3965 or via email at: [bettygibson@bsd.ca](mailto:bettygibson@bsd.ca))

### ABSENCE CALL BACK SYSTEM

In an effort to ensure the safety of Betty Gibson School students, the school operates a “call-back” system every day during the school year. When your son/daughter is going to be absent from school, please telephone the school (204-729-3967) before 8:50 a.m. to advise the Home School Liaison of the absence. If you do not have a telephone, please send a message with a family member or friend. Where the parent has not called or sent a message to school to advise us that their child will be away from school, the Home-School Liaison will telephone the parent to make certain that the absence is with the parent’s knowledge. Your cooperation in contacting the school prior to the school contacting you is appreciated.

**Please call the school at 729-3967 to advise us of your child’s absence. All students that are late must enter through the front doors of the school and sign in at the office so that we know they have arrived safely at school.**

### NEWSLETTERS

One of the goals of our school is to actively promote an open flow of communication between the home and school. An important part of that communication is the school newsletter which allows you to keep current on school functions and activities. Our newsletters are sent by email to parents/guardians and are also available online at: <https://www.bsd.ca/schools/bettygibson> Look for our newsletters the first school day of every month.

### ALLERGIES

Betty Gibson School is a **nut safe** school. We ask your cooperation by not sending any snacks or lunches with your child containing nut or peanut products. Though it sounds simple, it means no peanut butter sandwiches or cookies., and no Nutella It means you should read the labels of other foods like muffins, granola bars and cereals before you put them in your child’s snack. If your child has eaten nuts or nut products at home for breakfast or lunch, please have them thoroughly wash their hands and face with soap and water before coming to school.

There are also students and staff at Betty Gibson who have **serious asthma/allergy** difficulties. We would ask that students and adults in the school not use or bring any strong scented perfumes, lotions, hairspray, etc.

### PARENT COUNCIL

An active Betty Gibson School Parent Council has been organized.
