“Learning in his Spirit”  
**April 2026**

### Mission Statement

St. Augustine School seeks to provide a safe educational environment for all students which will allow growth academically, physically, socially, emotionally and spiritually. A school environment is created in which a belief in God’s teachings are integrated into the school program and stressed as a way of life.

### Reminder

All visitors to the school must report to the office before proceeding into any area of the building.

Thank you for your cooperation!

### Allergy Alert

Reminder to parents that we have students/staff with **Nut, Fish, Egg, and strong scents allergies.**

Please be mindful of this when you are packing lunches or snacks to school.

## **Controlled Access**

We are now entering the next phase of controlled access for the school. Starting on Monday, April 6th all doors will be locked 24 hours a day. Parents in the before and after program will need to ring the door bell to drop off and pick up their children.

We kindly ask parents to make sure your child/ren are not late in the morning as it gets busy in the office. If your child/ren will be arriving late they will need to come into the school through the front doors and sign the late book.

Any parents/visitors will need to come to the front doors on 3rd street to be let in as we have instructed the staff and students not to let any person/s in at any other doors for safety reasons.

If you have any questions or concerns please call the school office.

## **Brandon Schools Community Lunch Program - NEW 2026-2027**

On Friday March 27th a parent letter and a registration form was sent home about the community lunch program for the 2026-2027 with the youngest and only students. Current students who ride the school bus will not need to fill out a form since this does not apply to them.

Please take the time to read over and fill out the form if your child/ren will be staying at school for lunch next year by April 14th or we will assume you will be picking up your child/ren during the lunch hour if no form is returned.

If you have any questions please contact the school or email [communitylunch@bsd.ca](mailto:communitylunch@bsd.ca).

## **School Zone Safety**

Student safety is always our top priority at St. Augustine, and we appreciate the role our families and community play in helping keep our school zones safe.

Arrival and dismissal times are especially busy, with many students walking, biking, or being driven to school. In recent years, we've seen an increase in traffic around our schools, which can sometimes lead to congestion and parking challenges. Please refrain from using the Church parking lot as this can be a safety concern.

We understand that this can be frustrating at times, but your patience, caution, and respect for traffic rules make a big difference. Slowing down, following posted signage, and staying alert—especially around school buses—helps keep everyone safe.

Each year, the Brandon Police Service receives a number of concerns related to traffic safety in school zones, including illegal parking and unsafe driving. We encourage you to review the School Zone Safety information found on the St. Augustine website.
