

## CROCUS PLAINS REGIONAL SECONDARY SCHOOL COURSE OUTLINE AND ASSESSMENT GUIDE

### PAINTING 40S Fall 2026-27

**Teacher:** Anne Barbro Boychuk

**Contact Information:** boychuk.anne@bsd.ca

#### Course Description:

This course is a more advanced level where you start the semester learning with one more colour wheel before they break one photo into 4 separate designs where the focus is all about the authentic colour. Next the big project is to stretch your own canvas. The class will be working in both acrylics and oil paint. Students will go into depth working on portraits in oil. In this class students will be completing a series of their own pieces and will work through the steps of planning, prepping, and painting a mural in acrylics.

#### General Learning Outcomes:

**Making - Art Language and Practices:** The student demonstrates understanding of and facility with Colour Theory.

**Creating – Artmaking:** The student individually and collaboratively generates, develops, and communicates ideas in the process of creating strong colour compositions for various audiences.

**Connecting – Art in context:** The student connects the painting to contexts of time, place, and community, and develops understandings of how painting in art reflects, sustains and transforms culture and identity.

**Responding - Valuing Artistic Experience:** The student perceives, analyzes, constructs and shares meanings in response to painting experiences.
