# Principal's Message

As I reflect on this past school year as principal of our Catholic school, my heart is filled with gratitude. This past year has been one of tremendous growth, joyful discovery, and deepened faith. From our youngest kindergartners learning to walk in the footsteps of Jesus to our eighth graders preparing to take their next steps with confidence and purpose as they head off to high school. I've witnessed the beauty of our school come to life every day.

I am especially thankful for the warm welcome from our families, the unwavering support of our staff, and the spirit of community that fills our hallways. Together, we've cultivated a learning environment rooted in faith, academic excellence, and compassion.

As we look ahead, I'm excited to build on the strong foundation that has been laid here in my short time at this school. May we continue to grow in faith and love, united in our shared commitment to guiding each child to become the person God created them to be.

With gratitude,

**Mr. Baranyk**

A/Principal
