### REMINDERS

Please make sure your child comes dressed appropriately for the weather. This time of year the weather can be very unpredictable.

If your child normally takes the bus but is walking or biking due to the nice weather, please remind them to let the office know so we are not looking for them at the end of the day.

When picking up your child at the end of the school day, please make sure you park in the parent parking lot, This is the gravel parking lot located between Ecole La Source and Ecole O'Kelly School. Parents are asked to not park in the staff parking lot.

We kindly ask that if your child does not ride the bus they do not arrive at the school until 8:40 am. If your child does not stay for lunch, we ask that they do not return to the school before 12:35 pm.

As the weather is getting warmer, please make sure your child has a waterbottle at the school.
