To Whom It May Concern,

I am writing to request support from the Parent Council for an upcoming school activity. Our school is planning to attend *Amélie: The Musical* on **Thursday, March 19**. The cost is **\$7 per student**, with **one complimentary chaperone ticket provided for every ten students**.

Amélie: The Musical tells the story of Amélie, an extraordinary young woman who lives quietly in the world but loudly in her mind. Through small but surprising acts of kindness, she brings joy and connection to those around her. When faced with the possibility of love, Amélie learns that true happiness requires courage and vulnerability. This performance offers students a meaningful opportunity to experience musical theatre while supporting fellow schools in our community.

We are respectfully requesting **\$400** from the Parent Council to help cover the cost of this experience. This support would allow all students to attend without financial barriers and ensure that participation does not come at a personal cost to families.

A detailed budget breakdown is attached below. Please feel free to contact me if you have any questions or require additional information. Thank you for your continued support of our students and school community.

Expenses:

Transportation: \$85 x 2

Other (tickets): \$7 x 70

Sincerely,

Anfernee Niones, Julia Greer, and Seth Dancel
